# RESEARCH APPENDIX - Draft Transfer/Copy Request Form

- Atty's please complete this form and give to Mike Barman

(Request Made By: PJK) (Date: 10 / 24 / 06)

Please transfer the drafting file for

2005 LRB \_\_\_\_\_ to the drafting file

for 2007 LRB \_\_\_\_\_

The final version of the 2005 draft and the final Request Sheet will be copied on yellow paper, and returned to the original 2005 drafting file. A new cover sheet will be created/included listing the new location of the drafting file's "guts".

For research purposes, because the 2005 draft was incorporated into a 2007 draft, the complete drafting file will be transferred, as a separate appendix, to the new 2007 drafting file. This request form will be inserted into the "guts" of the 2007 draft. If introduced, the appendix will be scanned/added to the electronic drafting file folder.

**-- OR --**

Please copy the drafting file for

2007 LRB -0210 / (all) (include the version) and place it in the

drafting file for 2007 LRB -0574

For research purposes, because the original 2007 draft was incorporated into another 2007 draft, the original drafting file will be copied on yellow paper (darkened/auto centered/reduced to 90%) and added, as a separate appendix, to the new 2007 drafting file. This request form will be inserted into the "guts" of the new 2007 draft. If introduced the appendix will be scanned/added to the electronic drafting file folder.

The original drafting file will then be returned, intact, to its folder and filed. For future reference, a copy of the transfer/copy request form will also be added to the "guts" of the original draft.

Hi Pam. Thanks for talking to Marcia about this. The new draft looks fine and I'm glad to hear it meets with their approval! I don't think you need to keep the language you removed.

I've asked that this be jacketed for the assembly. Would you please prepare a companion bill for the Senate?  
Thanks!

2007 BILL

Regen

- 1 AN ACT *to repeal and recreate* 767.853 (2) of the statutes; **relating to:** allowing  
2 access to pending paternity proceeding information for purposes of  
3 administering the child support establishment program.✓

---

*Analysis by the Legislative Reference Bureau*

Under current law, the record of a pending paternity action is confidential, except that the child's parents and the parties to the action and their attorneys may have access to the record, and additional specified persons may have access if the child is the subject of another type of proceeding, such as a juvenile guardianship or delinquency action. For purposes related to the child and spousal support and establishment of paternity and medical support liability program (program), which is administered by the Department of Workforce Development (DWD) in conjunction with county child support agencies, DWD and county child support agencies may obtain information from the clerk of circuit court on a case-by-case basis about any pending paternity action in which DWD or the county child support agency is a party. DWD and county child support agencies, however, are not allowed general access to the Web site that is maintained through the Wisconsin Supreme Court's Circuit Court Automation Project case management system and that contains information about all pending paternity actions.

This bill authorizes DWD and county child support agencies to have statewide access to the records of all pending paternity actions for purposes related to administering the program, regardless of whether DWD or a county child support agency is a party to the action to which a record relates.

Pam,

I wanted to bring one technical item to your attention relating to SB 13 and AB 39, companion bills relating to access to paternity records by child support staff. In the LRB analysis, there is an incorrect listing of the CCAP case management system. CCAP stands for Consolidated Court Automation Programs not Circuit Court Automation Program. The current CCAP was formed in July 2001 by combining two court computer departments, the former Circuit Court Automation Program and the Office of Information Technology Services. I hope it will be possible to correct this error and that this information is helpful to you for the future. Please contact me if you have any questions.

Cathlene,

Thanks for getting back to me. The proper term is "Consolidated Court Automation Programs." Here's a link to the court's webpage that describes the merger of the programs and the name change.

Let me know if you have any other questions.

Nancy,

We are preparing to do corrected copies of SB-13 and AB-39. I just want to confirm that the term "Circuit Court Automation Project" in the analysis should be replaced with "Consolidated Court Automation Programs."

Please confirm or correct me.

Thanks,  
Cathlene
